

Memorandum of Understanding on Establishing a SPEC Industrial Fellowship

SPONSORING COMPANY is pleased to establish a SPEC Industrial Fellowship at Semiconductor Power Electronics Center (SPEC), Department of Electrical and Computer Engineering, North Carolina State University.

The SPEC Industrial Fellowship will provide \$30,000 to SPEC to support one student for one year. It will be used to pay fellowship recipient's tuition, stipend, travel and health insurance and other expenses at the discretion of Dr. Alex Huang.

Selection of the SPEC Industrial Fellow

The fellowship recipient will be:

- A graduate student in good standing in the mid to late curriculum study within the Electrical and Computer Engineering Department at NC State
- Willingness to work with SPEC faculty through advanced research towards an advanced degree
- The selected research area is generally of interest to the sponsor
- Have the endorsement of SPEC faculty and SPEC director

SPEC faculty will recommend candidates for the fellowship to Dr. Alex Huang, Director of SPEC including a letter of recommendation and the student's curriculum vitae. Dr. Huang will make the selection.

Payment Schedule, Delivery Address and Approval Signatures

This is an unrestricted gift to the NC State Engineering Foundation to support SPEC and the department of Electrical and Computer Engineering by way of a fellowship. There are no deliverables associated with this gift.

Payments will be made biannually in the amount of \$15,000 to NC State Engineering Foundation, Inc. Payment will be forwarded to
